

Claim Sharing System

Claim Share Box

CSBox is a specialized electronic system for claim sharing and coordination of related information.

Its aim is to serve the processes of exchanging data between different users - quickly and easily, in real time, they have the opportunity to communicate, exchange information and coordinate their actions .

Claim Share Box offers:

- Facilitated registration of general claim information
- Registering claim files and estimate
- Opportunity to direct claim to a second party
- Secure environment for data sharing
- Reducing the time for transfer of documents
- Notification for change occurrence in real time
- Communication between the parties in real time
- Ability to connect to external systems
- Sum agreement
- Clarity and accountability for claim processing time and relevant costs

Claim Sharing System

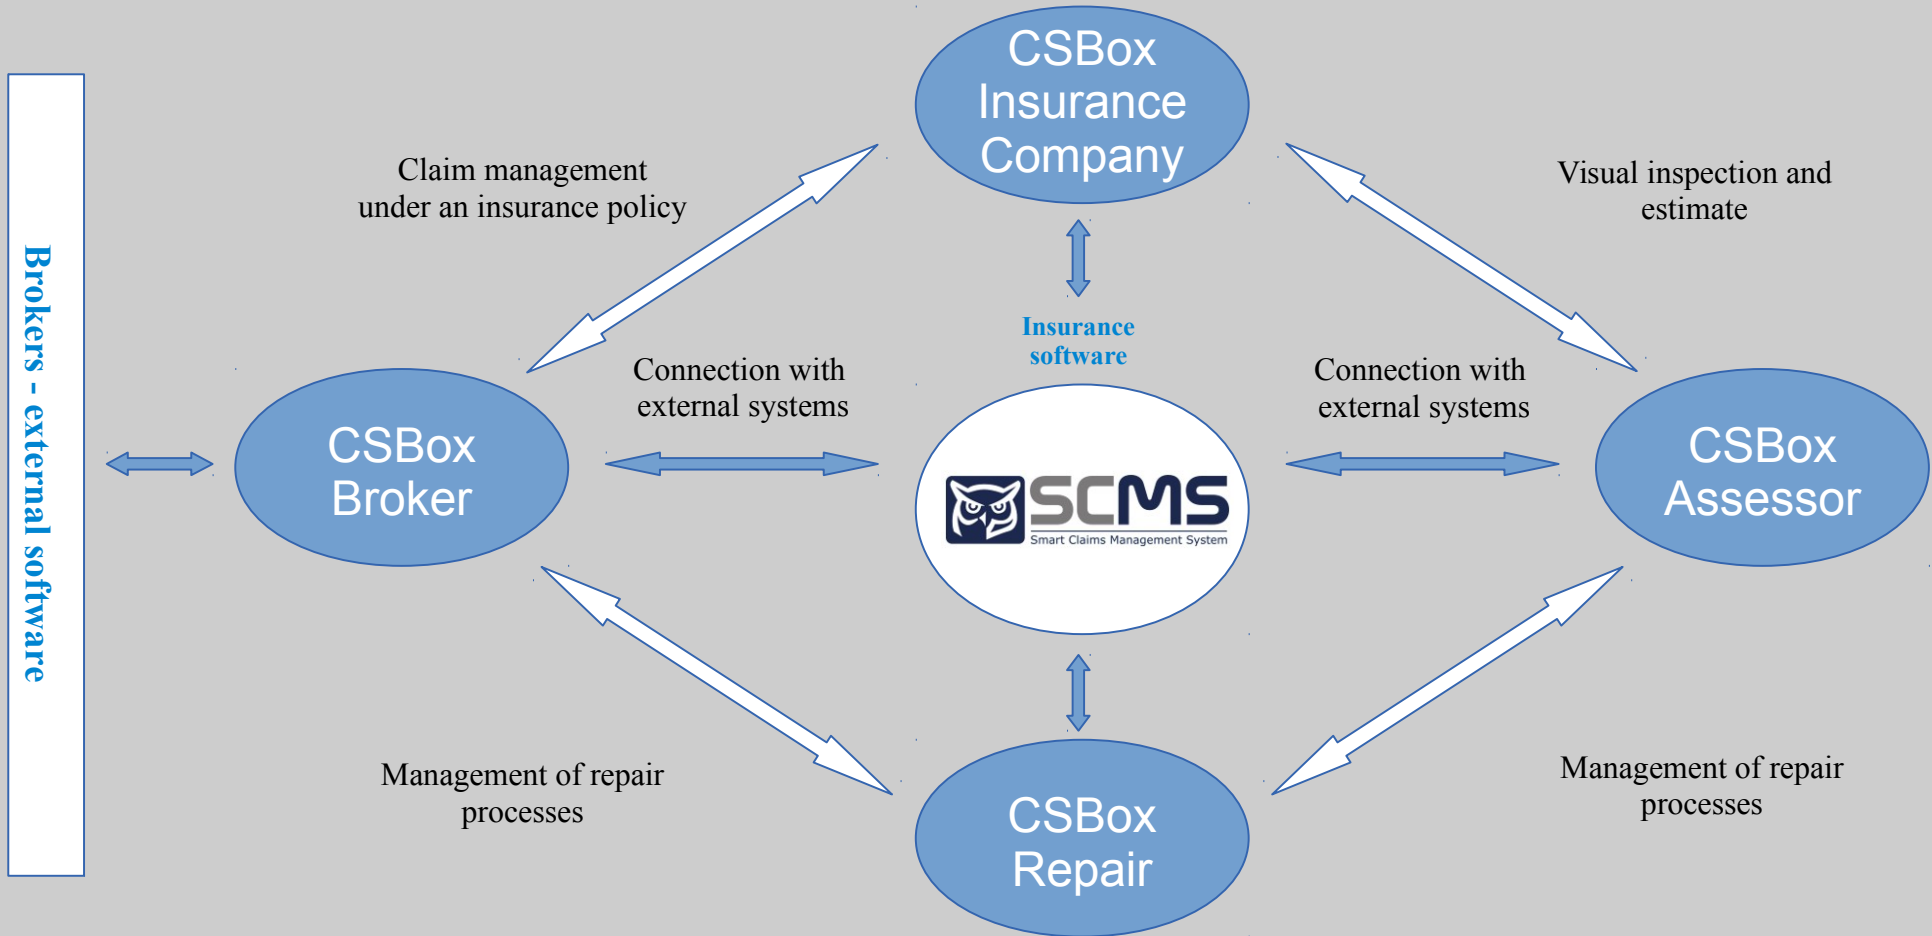

Claim Share Box

The process of sharing

- **Easily referring claims**
- **Sharing the registered claim data, documents, claim files and estimate, amounts**
- **Opportunity to accept or reject a claim**
- **Upon sharing the general claim information is "locked" for editing. Thus both parties in the process operate with the same information**
- **Real time communication**
- **Documents, pictures, claim files and estimates can be added by both parties during the entire process of communication**
- **Import of external claim files and estimate, and possibility for subsequent editing**
- **Status updates**
- **Discussion of amounts (negotiation)**

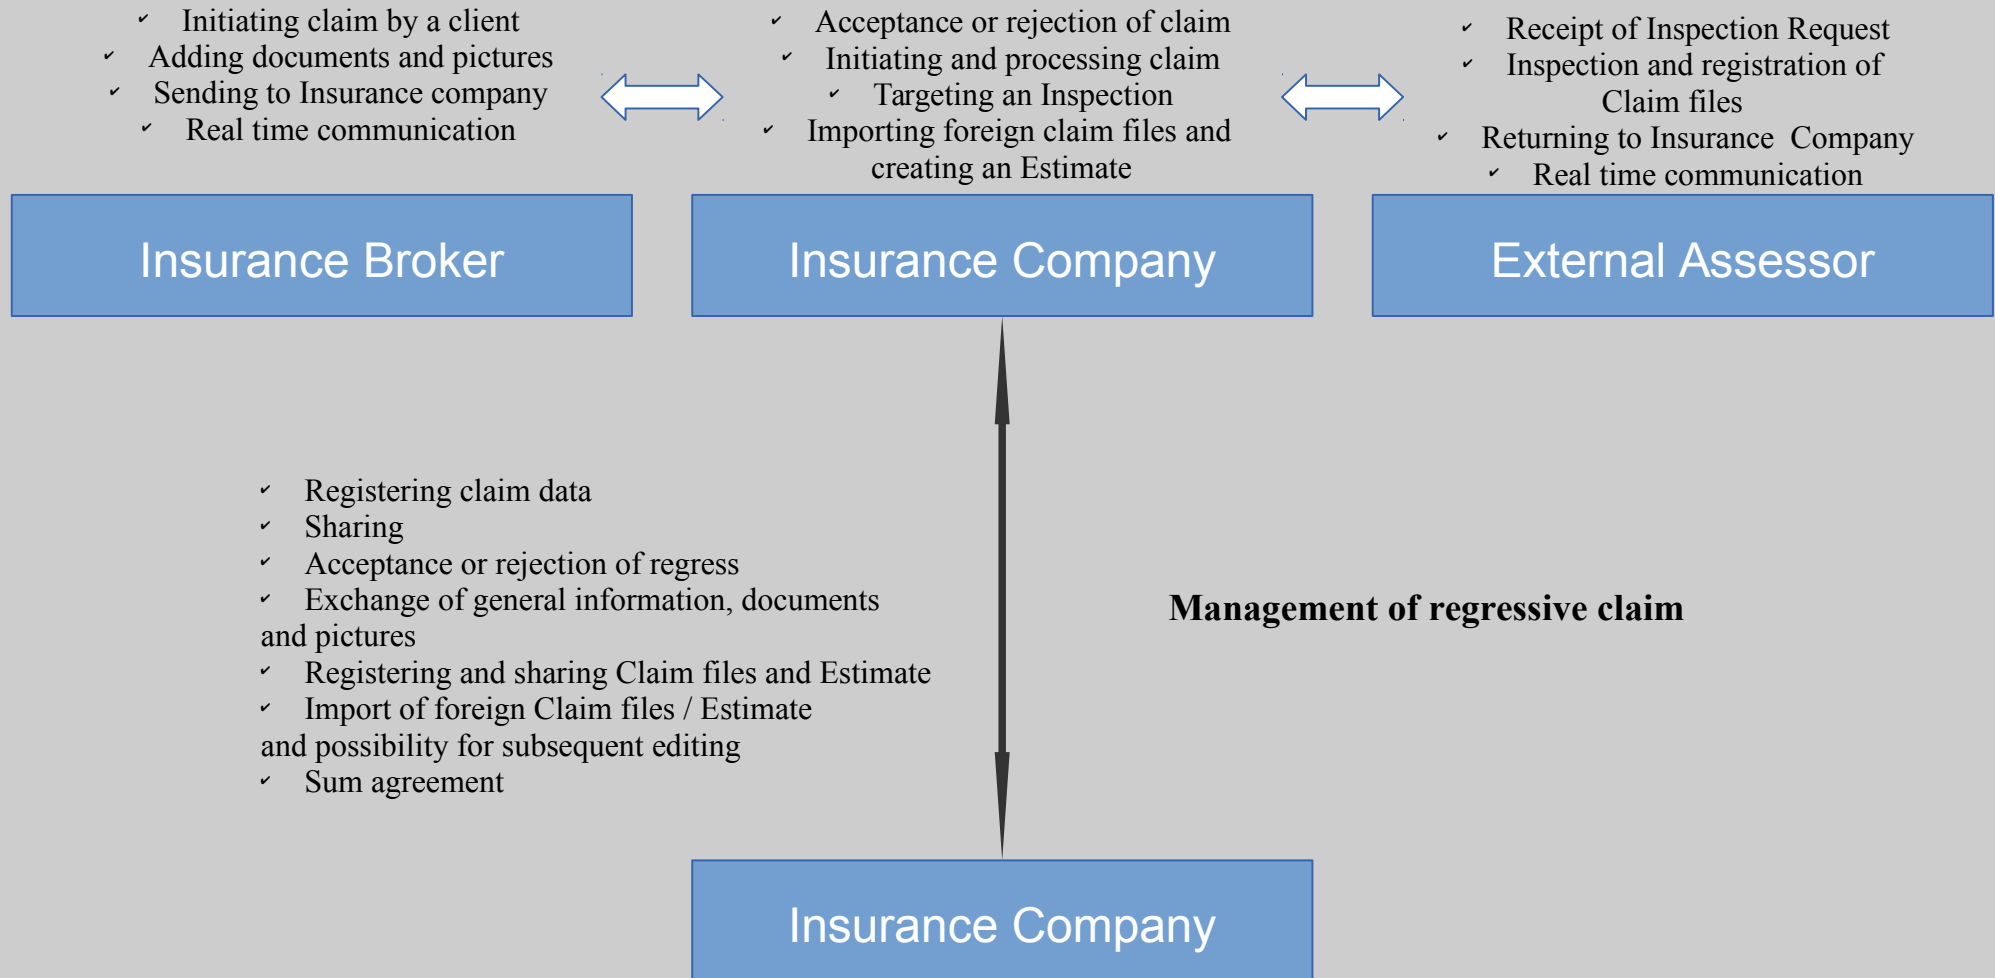

Fast, easy and in real time!

CSBox System Features

CSBox as an independent, self-functioning database

CSBox can be used as an electronic system for storage and precise management of claim service and repair processes.

- Quick and easy data registration on claim or repair
- Adding documents and pictures
- Registering Claim files / Estimate
- Closed case archive
- Connection with external systems

The screenshot displays the CSBox web application interface. At the top, there is a navigation bar with 'Help?' and 'FAQ' links. The main header features the CSBox logo and the text 'Claim Share Box'. Below the header, a sidebar menu on the left lists various administrative and notification options. The main content area is titled 'Работно табло' (Dashboard) and contains a search form labeled 'Търсене' (Search). The search form includes several input fields and dropdown menus for filtering claims based on number, date, status, and company. Below the search form is a table with columns for 'Системен №', 'Вътрешен №', 'Полица №', 'Заведен', 'Насочен към', 'Статус на претенция', and 'Статус на сума'. The table lists 20 rows of claim data. At the bottom of the table, it indicates 'Показани 1 - 10 от 20' (Showing 1 - 10 of 20) and includes pagination controls.

Системен №	Вътрешен №	Полица №	Заведен	Насочен към	Статус на претенция	Статус на сума
